

Safety Rules for BMAC E-Vent 2009

1. Observe transmitter control at all times and take direction from the "Flight Line Controller".
 2. No mobile phones in the pits or on the flight line.
 3. Do not fly behind the flight line (identified by strip of long grass) for any reason.
 4. Stand in the pilots box when flying (identified by white bricks in grass).
 5. Shout "Take Off", "Landing", "Retrieving" and "Dead Stick "when appropriate.
 6. Leave transmitter on the flight line when retrieving models.
 7. Have fun and enjoy yourselves!
